

## **Infinova Announces Regional Sales Manager for North and West India**

Monmouth Junction, NJ – August 1, 2007 - Infinova, a leading manufacturer of CCTV and network security/surveillance and Fiber Optic solutions, has appointed Sumit Arya as Regional Sales Manager for North and West India.

In this position, Mr. Arya becomes a key member of the Sales Team that will lead Infinova's expanding presence in the security and transportation surveillance markets. He will be responsible for bringing fiber optic transmission, IP and analog video cameras, IP based matrix switches and digital video recording solutions to integrators and their corporate and government customers.

Mr. Arya is a top-notch provider of specialized security and safety systems with over 5 years of sales experience. Prior to Infinova, Mr. Arya worked as a sales manager for G4S Security Systems. Prior to Security Systems, Mr. Arya was employed with the National Telephone Services Company where he has provided quality sales and reliable service to a wide range of customers. Mr. Arya joins Infinova with ample experience to provide world-class support and training for our outstanding representatives and customers throughout the region. He is fully capable and committed to make every customer's goal his own.

Infinova designs and manufactures a full line analog and digital/IP CCTV products including PTZ dome cameras, fixed cameras and lenses, monitors, DVRs, matrix switchers, controllers and accessories, fiber optics for video, audio and data, and integration management software. Infinova provides consultants, integrators, electrical contractors and installers with engineering design assistance and customized systems
